Spiritual Adoption Program

Month 1: Developing Baby

Your spiritually adopted baby has been quite active over the past month. Already your baby is 10,000 times bigger than at conception. Your baby has developed the foundations of her brain, spinal cord, and nervous system by the 20th day. Her heart began to beat on the 21st day, pumping blood through its own circulatory system and the blood type can be different from her mother's. Your baby is most vulnerable during the next month of being aborted. Pray that the Lord of Life might move the heart of her mother to give her the most precious gift of all – the gift of life.

2 Corinthians 9:7

THANK YOU & GOD BLESS YOU

All Saints' Day is a Christian solemnity, or dignified remembrance, that celebrates the honor of all church saints, whether known or unknown. This holiday is also known as All Hallows' Day, the Feast of All Saints, the Solemnity of All Saints, and Halloween.

There's a yearly reminder of our connectedness as Christians to the church. It's called "All Saints Day" and is commemorated every November 1st. Perhaps, you were taught to think of saints as statues in a church building. But the Bible teaches something completely different. Who is a saint? You are. That is, if you're a follower of Jesus. God calls a "saint" those who trust in Christ alone for salvation (see Acts 9:13, Acts 26:10, Romans 8:27, 1 Corinthians 1:2).

The Christian festival of All Saints Day comes from a conviction that there is a spiritual connection between those in Heaven and on Earth. In Catholic tradition, the holiday honors all those who have passed on to the Kingdom of Heaven. It is a national holiday in numerous historically Catholic countries. In Methodist tradition, All Saints Day relates to giving God earnest gratitude for the lives and deaths of his saints, remembering those who were well-known and not. Additionally, individuals throughout Christian history are celebrated, such as Peter the Apostle and Charles Wesley, as well as people who have personally guided one to faith in Jesus, such as one's relative or friend.

In addition to weekly worship gatherings, "All Saints Day" annually reminds us of our connectedness as Christians. It's commemorated every November 1st. Perhaps, you were taught to think of saints as statues in a church building. But the Bible teaches something completely different. Who is a saint? You are. That is if you're a follower of Jesus. God calls a "saint" anyone who trusts in Christ alone for salvation.

Sainthood isn't given by a group of religious leaders. It's granted by God Himself to any common, salt-of-the-earth person who simply trusts Christ (1 Corinthians 1:2). Words matter. And sowing confusion about good, biblical words like "saint" is not from God. The gospel message is that God the Son came to earth, lived a perfectly obedient life, died on the cross to pay for our sins (Romans 5:1), and rose again, proving His atoning work was complete (Romans 4:22-25).

Saints are those who give up the *anti-faith* alternative of trying to please God by their good deeds and, instead, trust Christ alone. Scripture says that the person of faith actually becomes the very righteousness of God (2 Cor. 5:21)!

Through the channel of human faith (*the means of salvation*), we become united to Christ (*the source of salvation*), and we are saved from God's judgment as well as from the futile way of life that we naturally follow (1 Peter 3:18). In other words, we are granted sainthood! Skeptical? Think about this: if God calls the worldly, sinning believers in Corinth "saints"—and He does in 1 Corinthians 1:2—couldn't He call you a saint as well? Friend, *anyone* who trusts in Christ alone for salvation is a saint in God's sight.

Humour: At Sunday school they were learning how God created everything, including human beings. Johnny was especially intent when the teacher told him how Eve was created out of one of Adam's ribs. Later in the week his mother noticed him lying down as though he was ill, and said, "Johnny, what is the matter?" Johnny responded, "I have a pain in my side. I think I'm going to have a wife."
