2nd Week of Advent - Faith

We invite you to pray about the virtue of faith with these scripture passages and accompanying reflection questions:

Isaiah 40:1-5, 9-11 Do we shout out from the mountaintop to others like the reading asks?

Does this come from a place of faith or just lukewarm belief?

2 Peter 3:8-14 Does our faith shape our life and inform our trust in Jesus as our Savior?

Mark 1:1-8 Do we model John the Baptist in "decreasing" and not being selfish to allow the Lord to do his work and make us better?

Spiritual Adoption Program

Month 3: Developing Baby

Your baby is quite active in the womb now – although her mother won't feel her for another couple of months. If her mother's womb had a window, you could watch your spiritually adopted baby squint, swallow and move her tongue. She can make a tight fist if you touch her palm. She is breathing amniotic fluid which continues until birth, although she obtains the oxygen her body needs through the umbilical cord. The baby you are praying for weighs one ounce.

The CWL is honoured to present the following people with awards for service to our Parish:

Humour: An inexperienced preacher was to hold a graveside burial service at a pauper's cemetery for an indigent man with no family or friends. Not knowing where the cemetery was, he made several wrong turns and got lost. When he eventually arrived an hour late, the hearse was nowhere in sight, the backhoe was next to the open hole, and the workmen were sitting under a tree eating lunch.

The diligent young pastor went to the open grave and found the vault lid already in place. Feeling guilty because of his tardiness, he preached an impassioned and lengthy service, sending the deceased to the great beyond in style.

As he returned to his car, he overheard one of the workman say to the other, "I've been putting in septic tanks for twenty years and I ain't never seen anything like that."
